Working Holiday
(with opportunity)

Interactive art director

4 years of experience

Computer skills

Adobe Photoshop CS3, Adobe Illustrator CS3, Adobe Flash CS3 (ActionScript + + + +),
Adobe After effects CS3, Adobe Dreamweaver
PC and Mac platforms

Objectives

I aim to exercise my creative skills in developing projects through original concepts
and strategies that suit to the client.

My objective is to bring innovative ideas to the Australian context while collaborating
with teams of different profiles.

Experience

January07/ Present **Art director in [REDACTED], Paris**

[REDACTED] is a small independent advertising agency.

My role is to find concepts and design interactive interfaces
for digital marketing operations, official websites, emailings
and ad banners.

Clients : [REDACTED]

March06/ November 06

Flash web designer in Duke - An Avenue A | Razorfish Company, Paris

Duke is a leading interactive agency in France that was honored
by several awards. Duke has joined Razorfish in April 07.

I took part of the production team, and was in charge of
the animation and the design for launching or redesigned
websites, and ad banners.

Clients : Nike, McDonald's, Nissan, Sony...

September 05/ March06

Flash web designer in Rapp Collins (DDB), Paris

Rapp Collins is an advertising agency, member of DDB.
They create online et offline strategies.

I took part of the production team, and created flash animations,
emailings and ad banners.

Clients : Nivea, Bouygues Telecom, ING Direct, Labello...

April04/ August05

Art director in Illusio, Paris

Illusio is a graphic studio, created by an architect and an
art director.

I was in charge of the concept, the design, the flash animations
and the HTML building for launching websites. I was leading
the web department of the society.
